- Former members who leave the club owing dues are prohibited from use of the facilities, as a guest of a member, or playing in any Club sponsored tournament. Payment of this debt lifts the restrictions.
- Once the resignation has been recorded, a member resigning may not re-apply for membership for one year. This policy may be appealed to the Board of Directors in the death of a primary member of a Family Membership, and/or other extenuating circumstances.

## **RETURN TO GOLF MEMBERSHIP FROM SOCIAL MEMBERSHIP**

Golfing members who drop to social membership status may return to golf membership status as follows:

- If the member has been a social member for less than 12 months, they must pay back golf dues.
- If the member has been a social member for more than 12 months, they may return to golf status by paying an initiation fee equal to the difference between the current initiation fee and the initiation fee at the time they dropped to social status.
- In each case, if there is a waiting list, they will be placed on the list as if they were a new member applying for membership.

## **LEAVE OF ABSENCE**

- Any member may request a leave of absence in writing, and each request will be reviewed by the Board of Directors on an individual basis.

- If the member requests to be heard, the Board shall consider all relevant facts and circumstances surrounding the violation(s) and disciplinary action.  
If needed, the Board shall affirm or change their previous vote tally in the presence of the member who is under consideration for the disciplinary action.

### **PLAYER SIGN-IN & PACE OF PLAY**

- Our club does not accept tee time reservations.
- All play is to start on the #1 tee unless directed by the Club Professional or a member of the clubhouse staff.
- We encourage players to join other groups to alleviate too many singles and twosomes. Pairing up should promote a faster pace of play. It is important to note that singles and twosomes do not take precedence over threesomes and foursomes. If a group of 3, 4 or even 5 is playing at an acceptable pace of play singles and twosomes should NOT expect to play through.
- Members are welcome to play as quickly as they feel comfortable, but not cause undue delays in play for other golfers. You are expected to allow faster groups to play through if your pace of play is causing undue delay. The time to allow faster groups to play through is when there is an open hole ahead of your group. Pace of play is important to enjoying golf, and if your group is not playing at an acceptable pace, the Club Professional will assist you in improving your pace of play.
- 5-Somes are allowed if they can play at a pace which is acceptable to avoid holding up the pace of play for others.
- The Club Professional is responsible for monitoring all golf groups.

*An acceptable pace of play is a two hour nine- or four-hour round of 18 played in a foursome or fivesome.*

### **CLUBHOUSE DRESSCODE & BEHAVIOR**

- At Indianola Country Club we want all our members and guests to have an enjoyable and relaxed experience.
- Muscle shirts, tank tops, un-hemmed cut offs, dirty and or poor conditioned clothing, any piece of apparel with inappropriate graphics or suggestive sayings are not allowed. Our goal is to give you every opportunity to enjoy your clubhouse experience in a casual yet neat appearance. Excessive language of an offensive nature, or loud and boisterous behavior which disturbs other members, is not allowed.
- It is every member's responsibility to make sure they and/or their guests adhere to these standards.
- Tobacco products of any kind, including vape devices, are not allowed.
- Violations of the attire and/or behavior guidelines must be reported to the Club Professional.

## **GOLF COURSE DRESSCODE & BEHAVIOR**

- At Indianola Country Club we want all our members and guests to have an enjoyable experience during their round of golf. The membership at Indianola Country Club prides themselves on having a private club experience with affordable prices. The goal at our club is to allow casual dress with the understanding that we are a private facility.  
Muscle shirts, tank tops, un-hemmed cut off shorts and tee shirts with graphics are not allowed. A solid-colored tee shirt without graphics and in good condition is allowed. However, outerwear pieces, such as sweatshirts, will be allowed with graphics as long as the graphics are not inappropriate.
- A collared golf shirt and golf related layering piece is our preferred choice.
- Our female members and guests can wear sleeveless golf shirts designed for the golf course.
- Female golfers must wear a top and bottom that does not reveal too much. Again, we want our dress code to be relaxed but not to the point that others find it distracting, disturbing or inappropriate.
- Golf Shoes or golf sandals with soft spikes or athletic shoes must be always worn while playing.
- Members and guests are not allowed to play barefooted or with footwear that could damage the grass plant.
- Behaviors displayed on the golf course are not to be a disturbance to others with vulgar language, actions, or physical displays of displeasure.
- It is every member's responsibility to make sure their guests are aware of our dress code policy on the golf course.

## **CART GUIDELINES**

- You must be 16 years old and possess a valid driver's license to operate a golf cart without supervision. You must be 14 years old and possess a valid learner's permit to operate a cart with accompanied adult supervision. (This applies to both club and member owned carts.)
- There are cart paths on every hole. Please use the paths as much as possible. When entering the fairway, do so at a 90-degree angle.
- Carts must return to the path when you are within 30 yards of the green.
- Carts need to remain on the cart path when you are at the teeing area.
- Carts can leave the cart paths on the par 3 7<sup>th</sup> and 9<sup>th</sup> holes if they return to the cart path once they reach the creek in front of the green. We kindly ask that you stay on the cart path for the entire hole on the par 3 4<sup>th</sup>, 16<sup>th</sup>, and 18<sup>th</sup> holes.
- If required by a medical doctor, a blue handicapped flag will be attached to give this cart more mobility on the course. The Club Professional & Golf Course Superintendent will establish the guidelines.
- Inquire in the clubhouse about any special course conditions before play. Always look at the cart signage on the first tee and observe those rules.

## **COURSE MAINTENANCE BY MEMBERS & GUESTS**

- It is the responsibility of members and their guests to assist our grounds crew in keeping our course in excellent condition. Please fill divots on tee boxes where a mixture is provided and either replace or fill divots the fairways, rake traps after playing out to a playable condition, fix all visible ball marks on the greens and please refrain from using the head of any club to get the ball out of the hole after completing play.
- Weather and maintenance can often change starting times. Below are the designated weekend start times:

Weather and maintenance can often change starting times. Below are the designated weekend start times.

April	7:30 a.m.
May	7:00 a.m.
June & July	6:30 a.m.
August	7:00 a.m.
September	7:30 a.m.
October	8:00 a.m.

- You may NOT cut over to #11 from #1 on Saturday and Sunday mornings.
- No one should expect to cut to #11 after playing #1. However, we understand wants and needs for some of our members to play what's referred to as the East Nine. At times when the course is busy members will not have the opportunity to play just the East Nine. Please consult either the PGA Professional or a member of the staff if you would like to cutover to the 11<sup>th</sup> hole after playing #1. **All play coming from the west nine takes precedence and you may not hold up any of that play.**
- **The maintenance staff schedules their workload believing that most golfers play the course in the order it was intended to play which is 1 – 18. As a result, if you don't play the course in order, the maintenance staff always has the right of way. You also may be asked to stop for a while or directed to another hole by anyone on the staff.**

### **GOLF COURSE CLOSURE DUE TO MAINTENANCE**

- Every attempt will be made to keep maintenance course closures on Mondays, but sometimes the weather dictates otherwise.
- During the golf season, one nine may be closed at any given time during the day. This type of maintenance typically involves spraying of pesticides or top-dressing greens. These tasks need to allow drying time before golfers can play. These closures could occur in the morning or afternoon, depending on the weather.

- Members need to understand some maintenance must be done based on weather and not a specific day of the week. Please check with the clubhouse about course status before starting your round.

## **DRIVING RANGE & PRACTICE GREENS**

### **This is not a public practice facility.**

- Our driving range provides a good opportunity for all members to improve their game. Range tokens are complimentary and available in the clubhouse. These tokens will be used to access golf balls from the machine.
- There are several hitting stalls available for members and their guests. You must hit balls only from between the white hitting stalls, unless inclement weather makes it necessary to hit off the mats.
- Please be respectful of the homes on the west side of the range, and refrain from hitting any balls in that direction. Members and guests need to understand they are responsible for any damage due to an errant golf shot.
- There will be times where the tee line may be in a position that does not allow you the opportunity to practice your long game. You are not allowed to hit balls through the practice range and onto the course.
- If there is not anyone utilizing the range you may hit drivers, or any other club that is hit off a tee and not taking a divot, from the back of the tee. When someone does come you must then go back to the designated area.
- A large putting green and chipping area is also available for practice.
- You are not allowed to hit chip or pitch shots onto the putting green which would cause ball marks.
- Please check all signage at the range, should there be special requests from the maintenance staff.

## **Code of Conduct**

This code of conduct has been developed to ensure a safe, friendly, and respectful place for members, guests, and staff. This document is intended to develop a spirit of cooperation and understanding between our staff and membership to insure a friendly and safe member experience.

### **All members and guests will:**

- Respect the golf course, golf cars and facilities.

  - Each group should sign in prior to teeing off in Mulligans. Special notices for the day will be posted at the sign in area.
  - Safe operation of the rental carts and insuring there are two member/guests on each cart.
    - We kindly ask that members and guests refrain from taking single carts. A 2 – some should play in one cart while 3 – some and 4 – some in two carts. Fuel prices are at an all-time high, and we would like to avoid additional increases.
    - Golf carts must remain on the path on all five par 3's except for being able to leave the path short of the creek on hole #7 and #9.
  - Seeking staff approval prior to not playing all holes in order. One should never expect to not play in order on busy days. We understand that Indianola Country Club is not a walker friendly course nor is it a convenient layout when only playing nine holes.
    - If one chooses to not play the course in order the clubs maintenance staff will have the right of way and you should not expect them to stop their maintenance.
    - If one isn't playing the course in order, they must allow faster groups to immediately play through.
  - Obeying all signage on the golf course.
- Demonstrates an understanding that members and guests have no authority to instruct staff in daily tasks and job performance.
- Does not denigrate, or talk down to staff members, general membership and/or does not misrepresent their position and/or authority to others.
- Understands that all beverages including alcoholic beverages must be purchased from the Club. Additionally, and member/guest may be denied further bar service at the discretion of the staff and or manager.
