

INDIANOLA COUNTRY CLUB NEWSLETTER

March 2022

How can I stay up to date on everything occurring at The Club?

To better inform the membership of all that's occurring at the club we have invested in a "text marketing" program that we encourage every member to sign up for. We will now have the ability send everyone who signs up a text. We have two ways for you to register. If you're familiar with QR codes you can simply scan the code below to get signed up.

The other way to get registered is to simply text ICC to 515-219-7004

Message Board of Directors

Each winter through historical information, input from department managers, and anticipation of what may happen during the coming year, the Finance Committee of the Board of Directors prepares an income statement/cash flow for Indianola Country Club. The goal is to project the level of revenue necessary to cover the club's operating expenses, loan payments and capital improvements allowing a small margin for contingencies. Using information derived through this process the Board of Directors approved a 3% annual increase in member dues and increased the annual Cart Shed/Trail Fee by approximately 10%. These increases will be effective April 1, 2022.

Through our budget process and ongoing financial oversight, the board seeks to address the financial requirements of ICC via modest, incremental increases thus avoiding a catastrophic fiscal event. The ability of Indianola Country Club to provide a quality experience for our members (and attract new members) is dependent on a solid financial platform. The decision to increase dues and fees is not taken lightly by your board; we know golf is a discretionary use of

your resources. It continues to be our vision to provide the highest quality family golf experience in central Iowa at an affordable price.

Club Membership Reaching Capacity

At last months board meeting your Board of Directors discussed capping our membership at 350 golfing members. Every golf club is different but 350 is a common number a lot of 18 hole clubs use when determining a full membership. At Indianola Country Club we strive to provide the member with as pleasant of an experience as possible and we know accessibility to their course and pace of play are key factors regarding that pleasant experience. If you know of someone interested in joining this spring, I HIGHLY SUGGEST they contact us ASAP. We will guarantee anyone membership who joins in March but it's highly likely that we will reach 350 sometime in April. Once we reach that magic number of 350 we will begin a waiting list for membership.

What is PGA Junior League? Click link to see what your kids can be a part of!

<https://vimeo.com/322916934>

Our club will be participating in PGA Junior League again in 2022. PGA Junior League is a way to introduce junior golfers to a team aspect of golf. We, the PGA, want to introduce a team aspect of the game to junior golfers. There are plenty of events for junior golfers competing as an individual who like and want stroke play events. However, every child enjoys the team aspect of sports. This program allows us to introduce competition to our junior membership in a fun and non-stressful environment. We will be part of the Des Moines area league and more than likely be in a division with three other teams. When our team hosts or travels the matches will consist of a total of 9 holes. The nine holes will consist of three three hole tournaments for a total of 3 points per nine holes. When we host or travel we will need a minimum of eight players as there will be four nine hole matches for a total of 12 points. Everyone who is part of PGA Junior League may travel so more than eight participating is great! When this occurs, we will sub in a player after a 3 hole match and every junior is guaranteed 6 holes. The format for PJJ is a 2 - person best shot so being an advanced player is not a requirement. For more information, please visit the links below.

We should be ready for registration soon and once the online registration is ready, we will reach back out with the link and password for you to register your child.
