### How can I stay up to date on everything occurring at The Club?

To better inform the membership of all that's occurring at the club we have invested in a "text marketing" program that we encourage every member to sign up for. We will now have the ability send everyone who signs up a text. We have two ways for you to register. If you're familiar with QR codes you can simply scan the code below to get signed up.

The other way to get registered is to simply text ICC to 515-219-7004

What is PGA Junior League? Click link to see what your kids can be a part of!

<https://vimeo.com/322916934>

Our club will be participating in PGA Junior League again in 2022. PGA Junior League is a way to introduce junior golfers to a team aspect of golf. We, the PGA, want to introduce a team aspect of the game to junior golfers. There are plenty of events for junior golfers competing as an individual who like and want stroke play events. However, every child enjoys the team aspect of sports. This program allows us to introduce competition to our junior membership in a fun and non-stressful environment. We will be part of the Des Moines area league and more than likely be in a division with three other teams. When our team hosts or travels the matches will consist of a total of 9 holes. The nine holes will consist of three three hole tournaments for a total of 3 points per nine holes. When we host or travel we will need a minimum of eight players as there will be four nine hole matches for a total of 12 points. Everyone who is part of PGA Junior League may travel so more than eight participating is great! When this occurs, we will sub in a player after a 3 hole match and every junior is guaranteed 6 holes. The format for PJJL is a 2 - person best shot so being an advanced player is not a requirement. For more information, please visit the links below.

Please visit [www.pgajuniorleague.com](http://www.pgajuniorleague.com) to get your child registered. The access code is **1920**

You will see that according to the web site we only accept members which isn't exactly true. If we accept nonmember participation, we want a current member to recruit them onto our team. Please feel free to have anyone who hasn't participated in our league to reach out to me if they have any questions or concerns.
