### How close is too close?

Below is a perfect example of what **NOT** to do.

Over the course of the last few weeks, I have had an excessive number of complaints regarding poor golf cart etiquette. The following is what is expected of every member and guest at your club.

1. Return to the cart path once you're 30 yards from the green.
2. Leave your golf cart on the cart path when you are at a tee box.
3. Observe the 90 degree rule at all times – travel to and from shots on the continuous cart paths.
4. Par 3's – Remain on the path for the entire hole on #4, #16 and #18. On #7 and #9 you may leave the path for shots short of the creek.

If you, or a guest, have a medical condition that doesn't allow you to be able to follow the above rules please contact us and we will be you a handicap flag to fly on your cart. This way others can identify you as one who has permission to not follow these requirements.

# 2022 Golden Girls Tour

Join us on Monday, July 11<sup>th</sup> at Urbandale Country Club as we have partnered with Ankeny CC, Urbandale CC and Pella CC to have four play dates throughout the course of the summer. The fee is only \$40 which includes a light breakfast, golf & cart, lunch afterwards and a small prize for the low team. The goal is to utilize this event as a mixer for ladies from all four clubs.

***Advanced registration is required.***

## **Thank You Men's Golf Association!**

As most of you are aware our Men's Golf Association has always provided Hole in One insurance to association members who record a hole in one. The association has also been a group that uses any excess proceeds to purchase items the club is needing. Most recently the Men's Association purchased new patio chairs for all the four tops outside Mulligans Patio. Thank you for your contribution!

## **Parent/Child/Family Fun Golf #3**

Please join us at 6:00 p.m. on Saturday evening August 20<sup>th</sup> for Family Golf. The east nine will be reserved for families with children to come out and play. There is not any age requirement, and we encourage you to bring out even the youngest of young as we will have an abbreviated course set up for our little linksters. Afterwards we will serve dinner to the kids along with ice cream afterwards! The regular menu will be available for adults. We had a fantastic turnout last time, and we are hoping to have even a larger number this month. Advance sign up **is not** required for this event.

## **High School Boy's Golf Team and the Practice Facility**

Indianola Country Club is the home course for Indianola High School Golf. The fall season is when the boys' team competes. The high school varsity golfers who are members of our club will be allowed to play Saturday and Sunday mornings during their high school season.

## **Simpson College Men's and Women's Golf Team**

The Men's and Women's teams at Simpson college also utilize our facility as their home course. As a major donor to our practice facility back in 2011 please welcome these young adults to our club this fall.

## **Sole Survivor**

Mark your calendars as the Sole Survivor date has now been set and will be held on Sunday, September 18<sup>th</sup>! Participants qualify for this event through the Men's and Ladies Club Championships.

## **Dress Code Policy for Members & Guests**

**In the last month we have observed a few of our members and guests not following our dress code policy. The below policy has been in place of over four years now, so we are expecting everyone to be observant of the policy put in place by your Board of Directors.**

**Golf Course Dress Code** = At Indianola Country Club we want all of our members and guests to have an enjoyable experience during their round of golf. The membership at Indianola Country Club prides themselves on having a private club experience with affordable prices. The goal at our club is to allow casual dress with the understanding that we are a private facility. Muscle shirts, tank tops, un-hemmed cut offs and **tee shirts with graphics are not allowed. A solid-colored tee shirt without graphics and in good condition is allowed.** However, outerwear pieces, such as sweatshirts, will be allowed with graphics if the graphics are not inappropriate. A collared golf shirt and golf related layering piece is our preferred choice. Our female members and guests are allowed to wear sleeveless golf shirts designed for the golf course. Female golfers must wear a top and bottom that doesn't reveal too much. Again, we want our dress code to be relaxed but not to the point that others find it distracting, disturbing or inappropriate. Golf Shoes or golf sandals with soft spikes or athletic shoes must be always worn while playing. Members and guests are not allowed to play barefooted or with footwear that could damage the grass plant. It is every member's responsibility to make sure their guests are aware of our dress code policy on the golf course.

**Clubhouse Dress Code** = At Indianola Country Club we want all of our members and guests to have an enjoyable and relaxed experience. Muscle shirts, tank tops, un-hemmed cut offs, dirty and or poor conditioned clothing, any piece of apparel with inappropriate graphics or suggestive sayings are not allowed. Our goal is to give you every opportunity to enjoy your clubhouse experience in a casual yet neat appearance. It is every member's responsibility to make sure their guests are aware of our dress code policy prior to entering the clubhouse.

## **Late Season Beverage Cart Service**

For some reason our regular beverage cart attendants have decided they needed to go back to their regular jobs or back to school? We will do our best to offer this service as much as possible, especially on our traditionally busier days. **If this service is something you take advantage of please check with our staff prior to teeing off. If the beverage cart is not available, we would be happy to offer you a cooler of beverages or snacks.**
