Congratulations!!

We've had several recent Hole in Ones. Congrats to Dan Vanderpool, Jeff Johannes and Chuck Collins for their recent aces.

Also, I always like to point out the first time one accomplishes the ultimate feat in golf which is shooting their age. We had two last month. Congrats to Rick Demory and Pat McMahon who each shot their age in September.

Finally, not sure this deserves a congratulations or not but did want to mention it as I've never heard of this type of ace. Jim Allen made an unconventional ace on #2 as his tee shot went in the hole on #9. I'm not sure what that's called but it sure was fun to listening to the guys in the clubhouse afterwards try and get free drinks out of him!

We will be replacing the balance of the driveway this month.

We are hopeful to begin the process of replacing the balance of the driveway soon. If all goes as planned, we intend to begin on a Monday and finish on Friday. During this time anyone playing golf that week will need to park on the range and bring a cart from the range to the clubhouse. We will bring the club owned carts down each morning and park on the range so that those playing golf are able to get up to the clubhouse. Dining will remain open during this inconvenience. Your patience and cooperation with staying clear of the construction is greatly appreciated.
