This election we have three openings, Club President and two open board positions. Kevin Halterman is running unopposed for Club President while Kenny Herring, Matt Spaulding and John Woell are running for the two open board seats. Please see their bios below.

Kevin Halterman – Running Unopposed for Club President

I have been a member of the Indianola Country Club since 1995 and a member of the board for the past 16 years. I am running for re-election and third term as President of the Board. Over the last several years, the board has invested in the facilities and course to improve the member experience. The ability to invest is made possible through strong financial stewardship from our management team and board. It is the mission of the board to continue to maintain the Indianola Country Club as a premier course that is of good value to our members. Our Club is a great asset to our community.

I am employed by Peoples Ban as the President/CEO. Cheryl my wife is a registered Nurse for Unity Point. I appreciate your support of myself and the Club. Feel free to contact me with any questions.

Kenny Herring – Running for Board

I am an Accredited Land Consultant (ALC) with Peoples Company, a farmland real-estate brokerage firm located in Indianola. His seasoned career experience includes a balance of both hands-on trade-work as well as the advertising, marketing and coordination of complex realstate transactions.

Kenny graduated Magna Cum Laude from Simpson College, receiving a Bachelor of Arts degree in Business Management with a Marketing minor. Kenny also completed a 5-year trade school apprenticeship with the Plumbers & Steamfitters Joint Training Program in 2010

Kenny and his wife Summer decided to make Indianola home in 2006 and have been members of the country club since 2016. Together, they have three children, Anna, Kate and Reed.

Kenny is a community driven leader and has served on several boards of directors in the past. His objective, if elected to the board, is to introduce new ideas to improve efficiency and enjoyment while maintaining the relaxed atmosphere our club is known for.

John Woell – Running for Board

I moved with my family to Indianola in the summer of 2020 and joined the Country Club nearly immediately. Although I have only played two full seasons at the club, I have seen many improvements in conditions and playability in that time. The Board's investments have been especially important as membership has expanded, and I have appreciated the continued commitment to accessibility and value.

I work for Simpson College as Senior Vice President and Academic Dean. My wife Rebecca works for a local nonprofit, our sixteen-year-old Justus is heavily involved at Indianola High School, and our youngest son Oscar gets to live the life I would have loved at his age with long summer days at the club with his friends. I look forward to keeping the Club a significant community asset and working for the membership as we continue to improve.

Matt Spaulding – Running for Board

My wife Jenni and I have been members of the Club since 2014. I am asking for your support to serve another 3-year term on Indianola Country Club's Board of Directors. Over the last three years the board members have collectively strived to improve the club, from the golf course to the clubhouse, and operations. As our membership has grown over the past three years it will be essential to continue planning updates and improvements. I believe my experience and knowledge as a business owner will provide valuable skills to the board and membership. I have enjoyed serving the members and I look forward to the opportunity to serve the club and its members for another term.
