

# INDIANOLA COUNTRY CLUB NEWSLETTER September 2023

Please be aware of your surroundings.

Unfortunately, we have been fielding more and more concerns about golf balls damaging homes that border the golf course. The homeowners I've spoken with understand that they're going to get that occasional ball in their yard. However, tee shots off of #10 tee hitting homes both north/left and south/right of the fairway are to say extremely errant to say the least. When playing holes that have homes adjacent to it we kindly ask that you error on the side of caution. Your cooperation is appreciated.
