

New Web Site!!

Please take a moment and check out our new web site by visiting www.indianolacountryclub.com We have moved web hosts and are excited about all the new opportunities we have to continue putting valuable information on our site for not only you but also prospective members. The calendar is up to date and is a great place for you to go and visit to see all that's occurring at your club this season. We have simplified the Members Only area so that everyone will have the same log in which is Member2021.

Multiple Construction Projects coming Soon!

We hope to begin tear out and replacement of Mulligans patio soon. We will be expanding the patio the entire length of the building which will increase our outdoor dining which has become extremely popular. The sidewalk on west side of the clubhouse will also be replaced and widened by two feet. As soon as this project is completed, we will be replacing a large section of the driveway. When this begins it's going to create some challenges for members coming and going. Vehicles will have to drive on the grass from the curve coming in all the way to our parking lot as that is the section being replaced. As we get into that project, we'll update everyone on how we'd like traffic to flow. During these two projects we kindly ask that you help us in staying clear of those doing the project.

Mulligans and Traditions to Open for Dinner beginning in May!

The F & B team here at the club would like to announce that they plan on opening for evening dinner service on Saturday's beginning in May. The club as you know has become a popular spot for friends and families to gather for dinner. With the expansion of our patio outside of Mulligans we feel as if providing more opportunities for dining is appropriate, especially with outdoor dining being so popular! Help spread the word and please support this new member benefit in 2021!

Your Autograph could now be worth \$100!

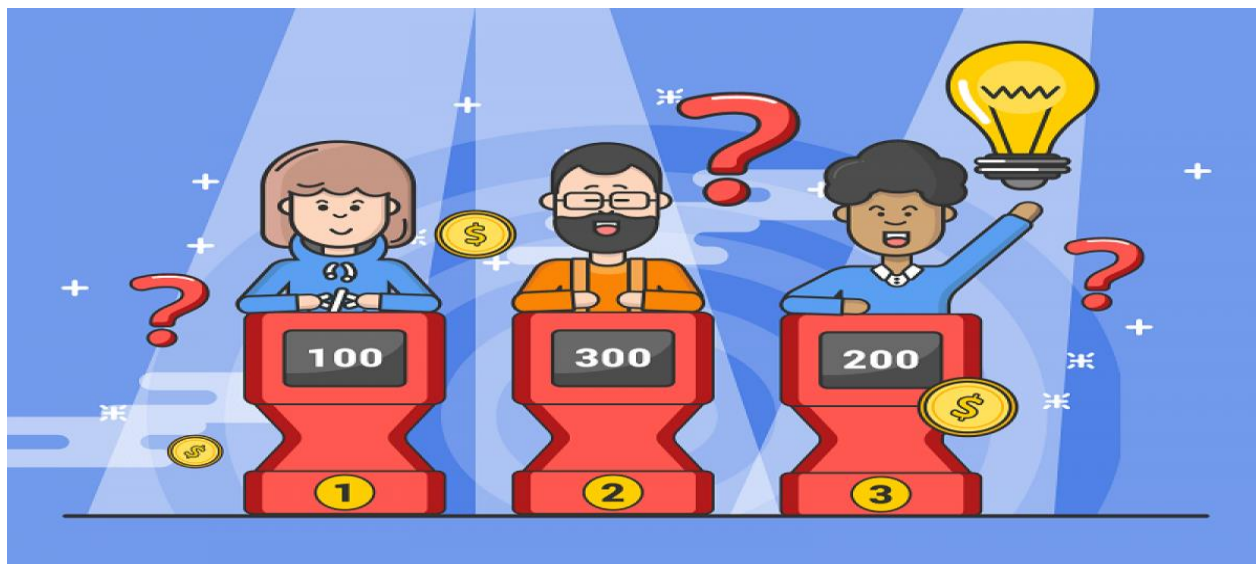

Now that I have your attention we are offering \$100 to every new member a current member sponsors! Our best marketing tool is you the member. Therefore we'd like to give you a \$100.00 gift card to the club for simply being the sponsor of a new member this spring. This is a limited time offer so don't delay!

What is PGA Junior League? Click link to see what your kids can be a part of!

<https://vimeo.com/322916934>

Our club will be participating in PGA Junior League again in 2021. PGA Junior League is a way to introduce junior golfers to a team aspect of golf. We, the PGA, want to introduce a team aspect of the game to junior golfers. There are plenty of events for junior golfers competing as an individual who like and want stroke play events. However, every child enjoys the team aspect of sports. This program allows us to introduce competition to our junior membership in a fun and non-stressful environment. We will be part of the Des Moines area league and more than likely be in a division with three other teams. When our team hosts or travels the matches will consist of a total of 9 holes. The nine holes will consist of three three hole tournaments for a total of 3 points per nine holes. When we host or travel we will need a minimum of eight players as there will be four nine hole matches for a total of 12 points. Everyone who is part of PGA Junior League may travel so more than eight participating is great! When this occurs, we will sub in a player after a 3 hole match and every junior is guaranteed 6 holes. The format for PJJL is a 2 - person best shot so being an advanced player is not a requirement. For more information, please visit the links below.

www.pgajrleague.com Password = 1920

The cost to participate is \$200 which is a great deal as you'll see from the link above. Our juniors will receive a ton of stuff in their kit once registered! If your child is new to the program please feel free to reach out to me for additional details. I'd be happy to have you reach out to some of the parents who had children participate over the years for a view of our program from a parents perspective.
